Code Of Conduct on Back

PA. PREPAREDNESS EDUCATION NETWORK (PPEN)
CODE OF CONDUCT

To ensure that our organization, PPEN, is always protected against negative publicity and/or legal action, and to ensure our reputation is always at the forefront of any actions or behavior on the part of all members, each member of PPEN agrees to the following conditions.

**** Once these have been read and understood, it is required that each member sign and date at the bottom of the page.**

- ◆ All members will be kind, courteous, truthful and respectful to other members.
- ◆ Members will never slander/belittle other people or groups.
- ◆ Members will strive to be part of a well balanced group that believes in helping others as well as learning how to manage their own lives when disaster strikes.
- ◆ Members will be lawful at all times. NO EXCEPTIONS!
- ◆ Members will be respectful and accept the decisions of the Board of Directors.
- ◆ Members who have a grievance or dispute should bring it to the attention of a member of the Board of Directors, not other members.

PPEN's mission is to teach and train people how to effectively manage any type of natural or man made disaster. We hope to spread this concept across the state, one county at a time. There are many things, as a community, we can do to help our Emergency Services and Law Enforcement during a disaster. It's better to learn now, than after disaster strikes.

Any violation of this Code Of Conduct will be basis for action taken by the Board Of Directors. Said action may be limited attendance, suspend activities according to violation or termination of membership if deemed necessary. ALL UNLAWFUL ACT'S WILL BE REPORTED TO LAW ENFORCEMENT.

By signing below, I acknowledge I have read and understand this Code Of Conduct and agree to these terms.
